The **Market** at Southside shopping center in the Downtown South district of Orlando landed two more tenants — putting the 230,000-square-foot retail complex at 100 percent occupancy.

Youfit Health Club signed a lease for about 14,250 square feet of space next to **Office Depot** at the center on the southeast corner of Orange Avenue and Michigan Street. This will be the third location for the fitness center concept, which [opened in Altamonte Springs last fall](#) and has another club in Winter Park.

Meanwhile, construction started on a new outparcel on Orange Avenue, where Broomfield, Colo.-based **Noodles & Co.** is building a 2,600-square-foot freestanding restaurant — something that's [been in the works since 2013](#), as previously reported by Orlando Business Journal. This is the third Noodles & Co. in Central Florida.
