Trailblazing

Orlando-based **Center Lake Properties** and **Pineloch Management Corp.** hosted the opening of the South Lake Trail, which is on land donated to the county at the 580-acre Black West Ranch in Lake County. More than 100 people attended, including youth bicyclists from the Lake County Police Activities League and Orlando Road Club, who helped Lake County Commission Chairman Welton G. Cadwell, shown above, at the ribbon-cutting.

Cadwell says he hopes the trail "will attract tourists and draw in new businesses."

The \$2.1 million South Lake Trail is 4 miles long, connecting the 5.5-mile Lake Minneola Scenic Trail and the 22-mile West Orange Trail. The South Lake Trail is 15 feet wide and accommodates pedestrians as well as bicyclists. Most of the trail is on an old railroad bed between Clermont and Winter Garden.
